De naturel wol is erg mooi voor een witte warme poncho , combineer eventueel met de hand geverfde wol.

Hip length Two Rectangles Poncho

Pattern File Name: Two-rectangle-26x32

Size: Standard Woman 111 for public

YARN DESCRIPTION:

Natuurwol; Gebroken wit; Tricot; Wolprogramma

GAUGE DATA:

Gauge (Stocking stitch over 4 in = 10 cm): 26,0 sts by 32,0 rows.

Body knit by hand on 3,5 mm needles

Ribbing knit by hand on 3 mm needles

FINISHED DIMENSIONS: (cms)

Poncho Length:	56,0	Neck Width:	28,0	Border Depth:	4,0
Poncho Width:	84,0	Neck Band:	4,0	Fringe Length:	11,0

PONCHO PANEL BLOCKING DIMENSIONS (Rectangle - two pieces):

Width:	35,4	Height:	79,1
--------	------	---------	------

Note: Read ALL these instructions thoroughly BEFORE starting to knit.

PONCHO PANEL (make 2 pieces the same, working bottom to top):

1. Cast on 92 sts on size 3,5 needles.
2. Work even in Stocking stitch. Mark both ends of row 113 (panel measures approx 35,4 cms from beg). Continue to total 253 rows (79,1 cms from beg). Cast off.

CONSTRUCT THE PONCHO:

1. Place both panels flat on a table or floor, right side up, bottom of panel #1 towards you.
2. Move panel #2 perpendicular to #1, so that the top of #2 abuts the right side of #1, between the bottom and the marker. Sew or crochet the panels together along this seam.
3. Then, folding the panels, abut the top of #1 to the right edge of #2 (bottom towards you), between the bottom and the marker. Sew or crochet the panels together along this seam as well.

NECK BAND:

1. Using size 3 needles work a border 4,0 cms deep (approx. 13 rows) around the neckline of the poncho. This is best worked by picking up sts around the neck and working a few rows. Ribbing will help pull in the neckline a bit. If the neckline is very loose, consider working a folded band and inserting a draw string.

BORDER:

1. Work a border 4,0 cms deep around the bottom of the poncho. This should be crocheted or in a non-curling knit stitch to provide stability to the bottom edge of the poncho.

FRINGE:

1. Work a 11,0 cms fringe around the bottom edge of the poncho. Various methods are given in the Help File / User Manual.

FINISHING:

1. Darn/weave/sew in all loose ends.
2. BLOCK. Really, it makes all the difference.

AMOUNT OF YARN REQUIRED TO MAKE GARMENT:

--- WARNING. THIS IS A ROUGH ESTIMATE ONLY. Measure a sample piece for a more accurate calculation.
